

NEWS & EVENT Updates

NEW COLLABORATION SIGNING WITH F1 ACADEMY OF TECHNICAL ANALYSIS SDN. BHD.

On 4th September 2020, AMU has embarked another milestone by having a new academic collaboration with F1 Academy of Technical Analysis Sdn. Bhd (F1) an education and research based Private Company established to serve investors and stock traders, FOREX and CFDs.

F1 is a Malaysian-based company, managed by a popular market analyst, writer and speaker, Mr. Fred Tam who is widely respected for his expertise and experience in stocks, gold, forex, commodity futures trading and investment. F1 humbly stated that they are a small, research-based company based locally in Kuala Lumpur formed to serve the serious Stock, Futures and Forex traders and investors. F1's philosophy is to provide quality products and services.

With this new collaboration, AMU is expected to have new opportunity to explore new industry and academic areas specifically in trading and foreign exchange.

The signing ceremony was conducted at The Scott Garden, Kuala Lumpur and AMU was represented by Professor Dr. Mohamad Khan Jamal Khan (Vice Chancellor), Mr Demudu Naganaidu (Bursar) and Puan Haliza Haron (Registrar) while Mr Fred Tam (Principal/ Director), Mr Wong Thian Choy (Director) and Prof. Dr. Mak Chai (Academic Director) representing F1, together with other F1 staff members.

UPCOMING EVENTS

RENEWAL OF MOU

NEW COLLABORATION

NEW COLLABORATION

Due to the current Covid-19 Pandemic, all upcoming signing ceremony events were postponed to new dates which are yet to be confirmed.

The new collaborations with Hipopo Baby Spa & Wellness and Lee Medical Clinic as well as the renewal of MOU with Caregiver (Malaysia) Sdn Bhd will cover similar areas of education and training on the basis of reciprocity and mutual benefit for both parties and an agreement to seek in promoting the following:-

- i. co-operation on academic programmes;
- ii. student training / internship / coursework and development;
- iii. exchange of information, including teaching and research collaboration & resources;
- iv. to identify opportunities for conducting lectures, seminars and organising symposia and conferences;
- v. collaborate and explore opportunities to extend services on both parties platforms premises;
- vi. career development and job opportunity for students and alumni

With the new and renewal collaboration we are expected to have more venues for students for their clinical and internship practices, employment opportunities for AMU graduates as well as sharing of information, knowledge and feedback from the industries and the external practices for the benefit of AMU academic programmes.

AMU PARTNERS

As of November 2020, AMU has secured few new collaborations with the industries and universities for academics and non-academic programmes including franchising. The list of active partners for the year 2020 are as per following:
