TURNITIN TRAINING: ADVANCED TURNITIN FEATURES FOR ACADEMICS.

Apex Knowledge Sdn Bhd (Apex) has started conducting Turnitin's Training at Asia Metropolitan University (AMU) since 2019. The Training was first initiated by AMU library in accommodating the lecturers especially for checking the originality of students' assignments. AMU Library has once again, organised the latest Turnitin training on 27th July 2022 from 2.30 p.m. to 4.30 p.m. via zoom online platform. The session was facilitated by Apex trainer, Mr Mazlan Abd. Latif.

The main objective of the training is intended to share the benefits of Turnitin by using internet based as a medium in checking students' assignment papers as well as assisting lecturers to check their own papers if they wish to publish papers in any journal. In addition, as an effort to assist lecturers and users for deletion of papers from Turnitin database, Turnitin has given further access to the AMU Admin to delete any request for deletion of papers directly. Previously, any deletion request is to be forwarded to Apex for them to proceed.

A total of ten (10) staff and lecturers attended the training and it was ended with Question and Answer (Q&A) session to ensure all participants have the opportunity to clarify on certain issues regarding their experience in using Turnitin. At the end of the Q&A session, Mr. Mazlan has also shared how students doing cheat and trick in their assignments based on the experience shared by lecturers as an awareness to all lecturers.
